

*Suggested Introduction for Chris Bliss*

If you own a TV or surf the net, you've probably seen our special guest. His television credits include Comedy Central, MTV, Evening At The Improv, The Late Show with David Letterman, and numerous appearances on "The Tonight Show", where Jay Leno has called him "one of the brightest comedians around".

And many of you watched his amazing "Big Finale" on the internet, where some 60,000,000 people worldwide made it one of the most popular downloads ever.

He's also performed for many of America's top corporations, and has appeared in concert with a list of superstars ranging from Eric Clapton to Michael Jackson

Please welcome . . . *Chris Bliss*
